

General Terms and Conditions Swiss Ski School Adelboden (SSA)

General

- We recommend booking lessons well in advance, at the latest by 17.00 the day before. Short-term bookings are possible if the Swiss Ski School Adelboden has free capacity.
- Lessons take place in all weathers. If the mountain railways have to suspend operations due to weather conditions or if safety is not guaranteed due to exceptional snow or weather conditions, lessons will take place at the small ski lifts near the village or will be cancelled. In this case there is no right to a refund. Guests will be informed as soon as possible by the Swiss Ski School Adelboden.
- The rates for lessons do not include the use of the lifts. The Swiss Ski School Adelboden will not provide any compensation for cancelled lessons due to the failure of the cable car and lift facilities.
- Cancellations must be made at least 24 hours before the start of the course, otherwise the full rate will be charged.
- All offers in the online shop and on the website are non-binding. Parts of the pages or the complete publication including all offers and information might be extended, changed or partly or completely deleted by the SSA without separate announcement.

Private classes

- In the event of late arrival or early termination of lessons, there is no entitlement to a refund from the Swiss Ski School Adelboden.
